Chris:

I sent \$1,000 for a transcript?? Did not receive transcript? Did you receive the check?  
We believe and are patiently waiting for this transcript. Please advise status.

Your invoice- this has to be gone over with you & CJ as I have no idea of status of case or where it is going or conversations you and CJ have had which appear on the invoice. I have suggested strongly that we set up a meeting face to face at your convenience and at our expense. I have tried to call you myself many times but

Paying invoices in a timely manner is not a problem we have. If you simply would call Hank Wilson I think this will be confirmed.  
We would like this matter resolved ASAP
